C. M. Collier C.S.

1/4 Sec. Cor. bet. Secs. 12, T 21S, R4W and Sec. 7, T 21S, R3W. (55)
Found post gone and both bearing trees cut down. Stumps still showing lower marks. Set stone 24x12x12 ins. marked CS from which a fir 40" diam. brs. N 52° W 71 lks dist. marked C.S. B.T.
Present Isaac Taylor, E. F. Smith, John Meinzer
Sept 20th, 1895 C. M. Collier C.S.

S.E. corner of the J. C. Richardson D.L.C. No. 43, T 18S, R5W.
Found post gone and both bearing trees almost completely obliterated the roots of the S.E. bearing tree being the only remains. We found the roots of a white oak burned off pointing to a common center and indicating a tree of about 20 inches diameter. From the position of said tree when standing I measured N 6° 24' W 4.49 chains to the point taken as the corner being about 5 feet South of the old gatepost at the fence corner of Richardson's enclosure
