GLO survey by Harvey Gordon Deputy Surveyor, under Contract #69 dated Feb. 2, 1857 (DCSO records Vol. 1 Page(s) 27)

Set ¼ sec. post, from which
 A Yellowwood 8" dia., bears S.48°W., 15 lks. dist.
 A Yellowwood 5" dia., bears N.78°E., 27 lks. dist.

Survey by W.G. Corbitt; Paul Krukur; N. Seethoff; B. Senn -
For: Crown Zellerbach - 1941-43 - C.S. File 52/91

Jan. 10, 1941
P. Krukur and N. Seethoff had no field notes when they found 50" Fir with scribe marks on bark. An old stake marked ¼ corner with crayon is on South side of Sharp Ridge running E. and W.
Set 1½" I.P. on South side of stake, from which bears:
 50" Fir S.54°W., 8.5 ft.

Nov. 5, 1941
W.G. Corbitt and Barney Senn found stake, pipe and Fir tree described by Krukur. I put nail in S. mark and took bearing from pipe which is S.53°W., 8.5 ft. The scribe marks visible are S /4 S, cruiser's marks. NE Fir tree has fresh blaze on North side. I found a 6" Cascara tree on N. side of ridge about 30 ft. from I.P. It had scars on trunk but no visible axe or scribe marks. This pipe is about 300 ft. W. of main N. & S. ridge.

May 3, 1943
W.G. Corbitt left 1½" I.P. in top of 4 ft. Spruce stump blazed on N. & S. sides and X on S. side. This stands South of swamp at about 72.00 chs.
