Douglas Co. Surveyors Office - John Powell and crew - C.S.  
File 53/101-23 (Date ?, probably around 1965)

-----

Searched for, not found.

Oak trees in this area had a good growing rate. Mr. Churchill and (Hand), do not remember anything of this cor. Mr. Churchill has lived there for 30-40 years and no trees except one, have been cut. That stump is still there, 38", but it is too small for it's growth.
