Pershin, under Special Instructions - Date of contract, July

There is no trace of any corner or witness trees at this
point, but this point is in line with the fence between
claims 39 and 40 and the owners of both claims hold that this
fence is on the line.
At this point, I set a post 4" sq., 4 ft. long, 24" in the
ground for cor. of claims 39 and 40 mkd. Cl. 39 on N. face
and Cl. 40 on South face.
