Alias _____ Description _____
Alias _____ Description _____

GLO survey by Aurelius Todd, Deputy Surveyor, under Contract #629, dated April 24, 1894 - (DCSO records Vol. 5 Page(s) 1805)

Marked a hollow Maple 2 ft. dia. $\frac{1}{4}$ S. on N. side for $\frac{1}{4}$ sec. cor., from which

A Maple 6" dia., bears N.57°E., 17 lks. dist. mkd. $\frac{1}{4}$ S BT
A Spruce 8" dia., bears S.65°W., 50 lks. dist. mkd. $\frac{1}{4}$ S BT

A.R. Evans - April 1952 - C.S. File 41/29

1/2" Iron bolt for corner, in highway right-of-way and centerline driveway leading to stockpile.

20" Maple which bears N.8°W., 142.6 ft. mkd. $\frac{1}{4}$ S6 BT.
Copper tag on tree "R.E. 2741"

Survey by Glenn Baughman - For: P.J. Washburn - Aug. 1976 - M 65-12

Found - Orig. Maple BT 6", now 20", down, rotted with tag and visible scribe.

Set PK in Highway from found BT, from which:

12" Fir bears S.2°E., 68.0 ft. scribed $\frac{1}{4}$ S7 BT.
14" Maple bears S.88°W., 93.3 ft. scribed $\frac{1}{4}$ S7 BT
DCSO brass cap U-84, set in concrete, bears N.34°24'03"W., 171.09 ft.

Douglas Co. Surveyors Office - Gary L. Langlitz, Deputy - K. Cheney, crew - Nov. 2, 1976 - C.S. File 59/26-2

Found A nail set in the southerly fog line of Hwy #38 from which BTs marked by Baughman are located as follows:

A 12" D.Fir bears S.2°E., 68.0 ft. scribed " $\frac{1}{4}$ S7 BT" on an unhealed double blaze.

A 14" Bigleaf Maple bears S.88°W., 93.3 ft. scribed " $\frac{1}{4}$ S7 BT" on an unhealed double blaze.

A bearing object located by Baughman, a bronze disc set in a drill hole in a sandstone boulder marked "Douglas County Surveyor's Office U-84 1973", bears N.34 $\frac{1}{2}$ °W., 171.09 ft.

In the location of the found nail, WE DRIVE a boat spike flush with the surface of the asphalt road surface.

It appears this corner was located with reference to the remains of the BT marked by Evans in 1952, a 20" Maple, now 24", down and rotting with illegible scribe marks of an unhealed blaze and Forest Service location tag attached, bearing N.8°W., 142.6 ft. This down Maple BT is not an orig. BT as indicated by Baughman.
