Intersect N. & S. line 4.67 chs. N of the established cor. of secs. 14, 15, 22, & 23, which is a post, firmly set, marked & witnessed as described by the Surveyor General.
This close, being in excess of the prescribed limits, both in alignment & measurement, I retrace my lines & find them to be correct.

At the point of intersection of my random line with the W line of sec. 14.
