Drove Iron bar for corner. Marked:

A 20" B.Oak N.43°E., 113.6 ft.

Set corner as per notes to creeks and common consent. All BTs down.

GLO survey by Mensch under instructions dated April 18, 1924 - (DCSO records Vol. 14 Page(s) 5901-02)

Intersect SW cor. of claim, which is a basalt stone, 6x6x6 ins. above ground, no marks found. This is a very old corner, and has always been presumed by adjacent property holders to have been set for cor. of McCullough claim. It is practically on the north line of the Waters claim. No other evidence of the cor. is found. I accept this stone as the cor., and alongside the stone.

Set an I.Post 3 ft. long, 1" dia., 18" in the ground, for SW cor. No. 3 of Claim No. 37, identical with Cor. No. 4 of Tract #48, with brass cap marked: TR48 DLC37
