NOT FOUND REPORT

Accessories Found -

A 47" dia. DBH Douglas Fir with cruiser or line marking notches in bark. Marks visible were 3 notches in north and east sides; 2 notches in south and west sides. This tree is opened to search for original scribing; tree is found to be too old through count of tree rings, (this tree would be 16 or more inches in diameter at time of original survey) no scribing is found.

Several trees and stumps in a wide search area as determined from Ray Brown (PLS 2391) preliminary survey of west boundary of DLC 58 are opened to check for original marks and scribing. No faces, scribing or bark scribing are found.
