DLC Survey by J.A. Burnett, under Contract # 75 dated Nov. 22, 1856 - (DLC line notes Page 681)

Set a post as NW Corner of Claim No. 37 from which
A W.Oak 18" dia., bears S.10°E., 459 lks.

Kristian DeGroot - For: Wayne Brady - May 2013 - M157-72

Found - There is no remaining evidence of the original corner. I accept an ancient fence corner at the intersection of fences bearing south & west as the best available evidence of the orig. corner position as supported by the collateral evidence.

Set forth in the narrative of this survey.

Set - At the exact position of the fence corner I set a 1½"x30" iron post, 28" in the ground with a 2½" brass cap mkd:
