84.60

Right and west bank of Umpqua river runs nearly due south at this point. Can find no trace of cor. nor bearing trees. Set temporary cor.

November 14, 1896

I now return to the SW cor of claim 37 and on account of so much of the right bank of the river having been washed away I begin at a point 50 lks north of the place where my measurement would locate the true S W Cor. and from this offset point.

I run along the meanders of the right bank of Umpqua river up stream
