DONATION LAND CLAIMS

CHAINS

T27S R6W DLC 64

In Secs. 6 & 7 of Township 27 S Range 6 W, W. M.
In order to test the previous survey of this claim I
measure carefully the line on south boundary of Sec. 6
with the chain properly adjusted and find it 77.60 chs.
in length. I also remeasure the line on north boundary
of claim 64 and find it 77.70 chs. from N E corner of
C 64 west to Township line. from these measurement I am
satisfied that the discrepancy in previous surveys arose
from bad chaining on the north and south boundary of C
64. I accordingly resurvey claim 64 as follows:
