

South Bdy. of T. 20 S., R. 7 W.

CHAINS

on a true line N. bdy. of Sec. 3.

Va. 21°15'E.

at 40.50 I find $\frac{1}{4}$ sec. cor. bears S., 70 lks. dist.

I, therefore, reckon the true bearing of the S. bdy. of Sec. 35 is S.89°W.

I continue W. along N. bdy. of Sec. 3, and at 81.25 chs.

find the cor. to secs. 3 & 4, S. 140 lks. dist. Here

offset 140 lks. S. to cor. of secs. 3 & 4 and run

W. on true line along N. bdy. Sec. 4. Va. 21°15'E.

at 40.40 chs. I find $\frac{1}{4}$ sec. cor. bears S. 70 lks. dist.;

I, therefore, calculate the true bearing of the S. bdy.

of Sec. 34 to be S.89°W.

I continue W. along N. bdy. of Sec. 4, and at 81.75 chs.

find the cor. to secs. 4 & 5 bears S. 140 lks. dist.

I here offset S. 140 lks. to cor. & run W. along N.

bdy. of Sec. 5. Va. 21°15'E.,

at 39.95 chs. I find $\frac{1}{4}$ sec. cor. bears S. 70 lks. dist.;

I, therefore, calculate the true bearing of the south

bdy. of Sec. 33 is S.89°W.

I continue W. along N. bdy. of Sec. 5, and at 80.50 chs.

find cor. to secs. 5 & 6 bears S. 60 lks. dist. I here

offset 60 lks. south to cor. and run W. along N. bdy. of

Sec. 6, at 40 chs. (Va. 21°15'E.) I made diligent

search for $\frac{1}{4}$ sec. cor., but was unable to find any; I,

therefore, continue W. along N. bdy. Sec. 6. At 68.70

chs. I find the cor. to Townships 20 & 21 S., R. 7 W.

bears S. 38 lks. dist.; I, therefore, calculate the

true bearing of the south boundary of Sec. 32 to be

S.89°30'W. and the true course of the S. bdy. of Sec.

31 to be S.89°45'W.

I now return to the SE. cor. of T. 20 S., R. 7 W., before

described, and run

S.89°45'W. along blazed line, S. bdy. of Sec. 36.

Va. 21°15'E.

.50 Smith River, c N., 40 lks. wide.

9.50 Ascend slightly.

+100

11.00 Stream, 4 lks. wide, c N.80°E.

21.00 A post, 4 ins. square, firmly set in the ground, 2 ft.

above ground, marked $\frac{1}{4}$ S on N. face, for $\frac{1}{4}$ sec. cor.

to Sec. 1; from which

A fir, 24 ins. dia., bears N.28°E., 12 lks. dist.,

marked $\frac{1}{4}$ S B T.

A fir, 24 ins. dia., bears S.33°W., 49 lks. dist.,

marked $\frac{1}{4}$ S B T.

28.00 Top of spur, c S.

+50

30.00 Canyon, c S.10°E.

-50

40.00 Set post, 4 ft. long, 4 ins. square, 2 ft. in the ground,
