

RESURVEY OF SUBDIVISIONS T. 22 S., R. 12 W.

CHAINS

At the cor. of Secs. 23, 24, 25 and 26.

Thence I run

North, on a random line, bet. Secs. 23 and 24.

37.71 I close 50 lks. E of the point for old $\frac{1}{4}$ Sec. cor. as determined by old overgrown marks on a down tree; other witness tree gone entirely and no post could be found.

72.20 I close 65 lks. E of the point for old cor. of Secs. 13, 14, 23 and 24, which is almost destroyed. The true bearing of the S half is therefore S.0°45'E and the N half S.0°15'E.

Retracement

From the point for old cor. of Secs. 13, 14, 23 and 24,

I run

North, on a random line bet. Secs. 13 and 14.

40.00 I close 17 lks. E of the old $\frac{1}{4}$ Sec. cor., which is nearly destroyed, the old post is missing.

78.84 I close 34 lks. W of the old cor. of Secs. 11, 12, 13 and 14, which is a tree cor. marked and witnessed as described by the Surveyor General.

The true bearing of the S half is therefore S.0°15'E and the N half S.0°45'W.

April 27, 1910.

At the cor. of Secs. 11, 12, 13 and 14, already described.

Thence I run

S.0°45'W., on a true line, bet. Secs. 13 and 14.

Descend S slope thru heavy timber and dense undergrowth.

12.79 Logging Road, bears E and W.

13.11 Creek, 3 lks. wide, 150 ft. below corner, course W. Begin ascent of steep N slope.

38.84 Intersect point for $\frac{1}{4}$ Sec. corner. I destroy all trace of
