

## Subdivisions and Meander Lines of T. 23 S., R. 7 W., W. M.

## CHAINS

or intersects the boundaries of 21 sections of the 24 sections of this township which I surveyed. Some high base buttes with some skirts of good timber mostly fir. The numerous falls and rapids in the river affords many good mill sites.

About 20 land claims have been taken in this township.

Gauf in secs. 32 and 33.

Three Kelloggs in secs. 29 and 32.

Wm. Robertson in secs. 30.

Thomas Robertson in sec. 30.

James Cooper in secs. 20 and 21.

Ziba Dimick in secs. 20 and 19.

Dickson in sec. 21.

A. G. Langdon in sec. 17.

Anson Langdon in sec. 9.

Dan Cook in sec. 10.

Wm. W. Wells in sec. 10.

Gaunt in sec. 8.

E. P. Drew in sec. 8.

Snider in sec. 5.

James Levine in sec. 6.

Wells in sec. 6.

On account of the hills and mountains it was not convenient to take the bearings to all the houses of the settlers. The portion of the Township which I surveyed is generally good for farming or grazing purposes.

That portion not surveyed is unfit for cultivation being rugged mountains.

Meanders of T. 23 S., R. 7 W., W. M.

Meanders of the right bank of Umpqua river through Township.
