- 61.20 Closing cor. to secs. 13 and 24 described in subdivision page, bears West, 62 lks.

September 13, 1898.

GENERAL DESCRIPTION

This township is very rough and mountainous in all parts; very little land is fit for settlement, except on the West boundary. It is well watered and densely timbered, what little land on small creek bottoms is, is very fertile.

Ocar F. Thiel

U.S. Deputy Surveyor
