

County Surveyor's Record, Douglas County, Oregon

- 79 -

Subdivisions of T. 23 S., R 9 W., W.M.

CHAINS

Oscar F. Thiel

U.S. Deputy Surveyor

General description

This township is very rough and mountainous. There are a few settlers in the West on the previously surveyed part; but one in the East, now surveyed. All the now surveyed part contains splendid timber, but of no commercial value, on account of it's in-accessibility. Hardly enough land for a garden along bottom of the larger creek.

The soil is very rich, but too little of it.

All is well watered and timbered.

Oscar F. Thiel

U.S. Deputy Surveyor
