

Subdivisions of T. 25 S., R. 7 W.

CHAINS

William P. Heydon,
Deputy Surveyor.

I now go to Tp. 25 South, Range 7 West, and examine each corner established by men in my survey therein. I destroy all marks on the corner originally established on the sectional correction line for corner to Sections 7, 8, 17 and 18. I verify the witnesses thereto and wherever necessary, correct the markings thereon to conform to the notes thereof, now on file in the U. S. Surveyor General's Office.

Wm. P. Heydon.
