

## Retracement and Resurvey of Subdivisional Lines, T. 26 S., R. 2 W.

CHAINS

The true course and distance of this line from the  $\frac{1}{4}$  sec. cor. is N.89°00'E., 59.09 chs.

Land, mountainous

Soil, stony clay loam, 3rd rate

Timber, fir, cedar and hemlock

Undergrowth, chinquapin, hazel and vine maple

Survey of Tracts 37 and 38, T. 26 S., R. 2 W.

Tract No. 37

Note: Prior to the survey of this tract, I meet on the ground, Mr. H. O. Pargeter of Roseburg, representative of the Delaittre interests, who points out the desired boundaries of the tract and this survey is made in conformity therewith.

Preliminary to establishing boundaries of this tract, I commence at cor. of secs. 15, 16, 21 and 22; thence south on W bdy. of sec. 22; at 26.77 chs. intersect old McQuinn line, 3.99 chs. S.88°15'E. of old  $\frac{1}{4}$  cor. of sec. 16; at point of intersection set temp. tract cor.

I return to the cor. of secs. 15, 16, 21 and 22; thence N.1°11'E. on E bdy. of sec. 16, 13.23 chs. and set temp. tract cor. No. 1.

I commence again at cor. of secs. 16 and 17; thence south and at 24.06 chs. intersect old McQuinn line, 6.50 chs. N.89°52'W. of closing cor. of secs. 20 and 21, and set temp. tract cor.

I return to cor. of secs. 16 and 17; thence N.2°21'E. on W bdy. of sec. 16.

At 11.33 chs. left bank of North Umpqua River, point for triangulation. To determine the distance across, I set a flag on line, on right bank, which bears N.2°21'E. from point of triangulation on left bank; then run base N.45°41'W., 2.82 chs. to a point from which flag bears N.62°40'E.; therefore the distance across river is

$$\frac{\text{base} \times \sin. 71^{\circ}39'}{\sin. 60^{\circ}19'}$$

$$\log. 2.82 = 0.450249$$

$$\log. \sin. 71^{\circ}39' = 9.977335$$

$$0.427584$$

$$\log. \sin. 60^{\circ}19' = 9.938908$$

$$0.488676$$

- log. 3.08 chs., which added to 11.33 chs. makes 14.41 chs., right bank of river

At 15.95 chs. establish temp. tract cor.

Thence S.89°23'E. (calculated course); and at 78.14 chs. fall 11 lks. S. of temp. tract cor. No. 1

I begin at the NE cor. of Tract 37, 13.23 chs. N.1°11'E.

of cor. of secs. 15, 16, 21 and 22; at this point.
