

County Surveyor's Record, Douglas County, Oregon

East Boundary of Tp. 25 S., R 5 E.

CHAINS

GENERAL DESCRIPTION

This Township is rough and Mountainous the Soil is a volcanic ash and rocky and of little value for Agricultural purposes the Township is well watered by the middle Fork of the Willamette River and its tributaries and is covered by a dense forest of Fir, Hemlock, Pine and Spruce, which constitute its main source of wealth.

Henry Clay Perkins,
U S. Deputy Surveyor.
