Intersect W. bdy. line of South Extension Green Mountain.

585.00

To the place of beginning.

---

Total area -----	11.21 acres
Area in conflict with S. Extension G. M.	0.61

The improvements consist of a tunnel, 5½ x 6½ ft. by 100 ft. long, in solid rock, partly timbered. Said tunnel has been excavated by the claimant and the value of said improvement together with the labor expended on said claim by the claimant is worth at least \$500 dollars.

I, W. F. Briggs, U. S. Deputy Mineral Surveyor, hereby certify that the foregoing field notes are correct as I hereby believe.

W. F. Briggs
