

County Surveyor's Record, Douglas County, Oregon

14397

T. 30 S., R. 5 W., Willamette Meridian, Oregon

CHAINS

Section 35 is drained on the southwest side by Canyon Creek, and on the northeast side by O'Shea Creek. Interstate Highway Number 5 crosses the southwest corner and a gravelled road crosses the northeast corner. Connecting dirt roads used for building and maintaining the gas and electric transmission lines were also noted in the area.

No indication of mineral deposits were noted along the lines surveyed.

The average of a number of readings along the lines surveyed gives a value of $19^{\circ} 45'$ E. for a mean magnetic declination. There is a range of $1^{\circ} 00'$ in local attraction.
