CHAINS

August 7, 1973

To Whom It May Concern:

On July 31, 1973, accompanied by Charles E. Akin, Jr., Cadastral (Land) Surveyor for the Bureau of Land Management, and his survey crew; Steven Wetherell, Glenn Nielsen, and Gary Brinegar, walked to the vicinity of the 1/4 section corner of 8 and 17, Township 29 South, Range 8 West, Willamette Meridian, Oregon. There I pointed out the junction of the remains of an old fence lines, extending south and east. This point, which having been shown to me and Clyde E. Spurlock (deceased) during the year of 1958 by Jack Parrot, an old (deceased) resident, that this is the corner point at the time of land purchase.

I can therefore state with no hesitancy that this is the corner point.
