with healed blaze.

An incense cedar, 31 ins. diam., bears S. 73° W.,  
159 lks. dist., with healed blaze.

**GENERAL DESCRIPTION**

The lands included in this survey are located in Douglas County, approximately five miles northeast of Myrtle Creek, Oregon. Access is by way of South Myrtle Creek County Road No. 18, North Myrtle Creek County Road No. 15, and numerous other gravel and dirt roads. The area is drained southeasterly by School Hollow Creek into South Myrtle Creek, which drains northwesterly, and northwesterly by North Myrtle Creek with numerous other small and seasonal drainages. The area is mountainous with elevations
