

Survey No. 3

PLAT

OF

Green Mountain Mining Co.

.....

Green Mountain Quartz Mine

Green Mountain Mining District,

Douglas County,

OREGON.

Containing an Area of *22.65* Acres.

Scale of *300* feet to the inch.

Variation, *12° 30'* East.

SURVEYED BY

W. F. Briggs

U. S. Deputy Mineral Surveyor.

May 9th 1887

The Original Field Notes of the survey of the Claim of *Green Mountain Mining Company* known as the *Green Mountain Quartz Mine*

from which this plat has been made, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises; and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements placed thereon by the applicant, or his grantors, is not less than Five Hundred Dollars; and that said improvements consist of *drifts, cuts and house*

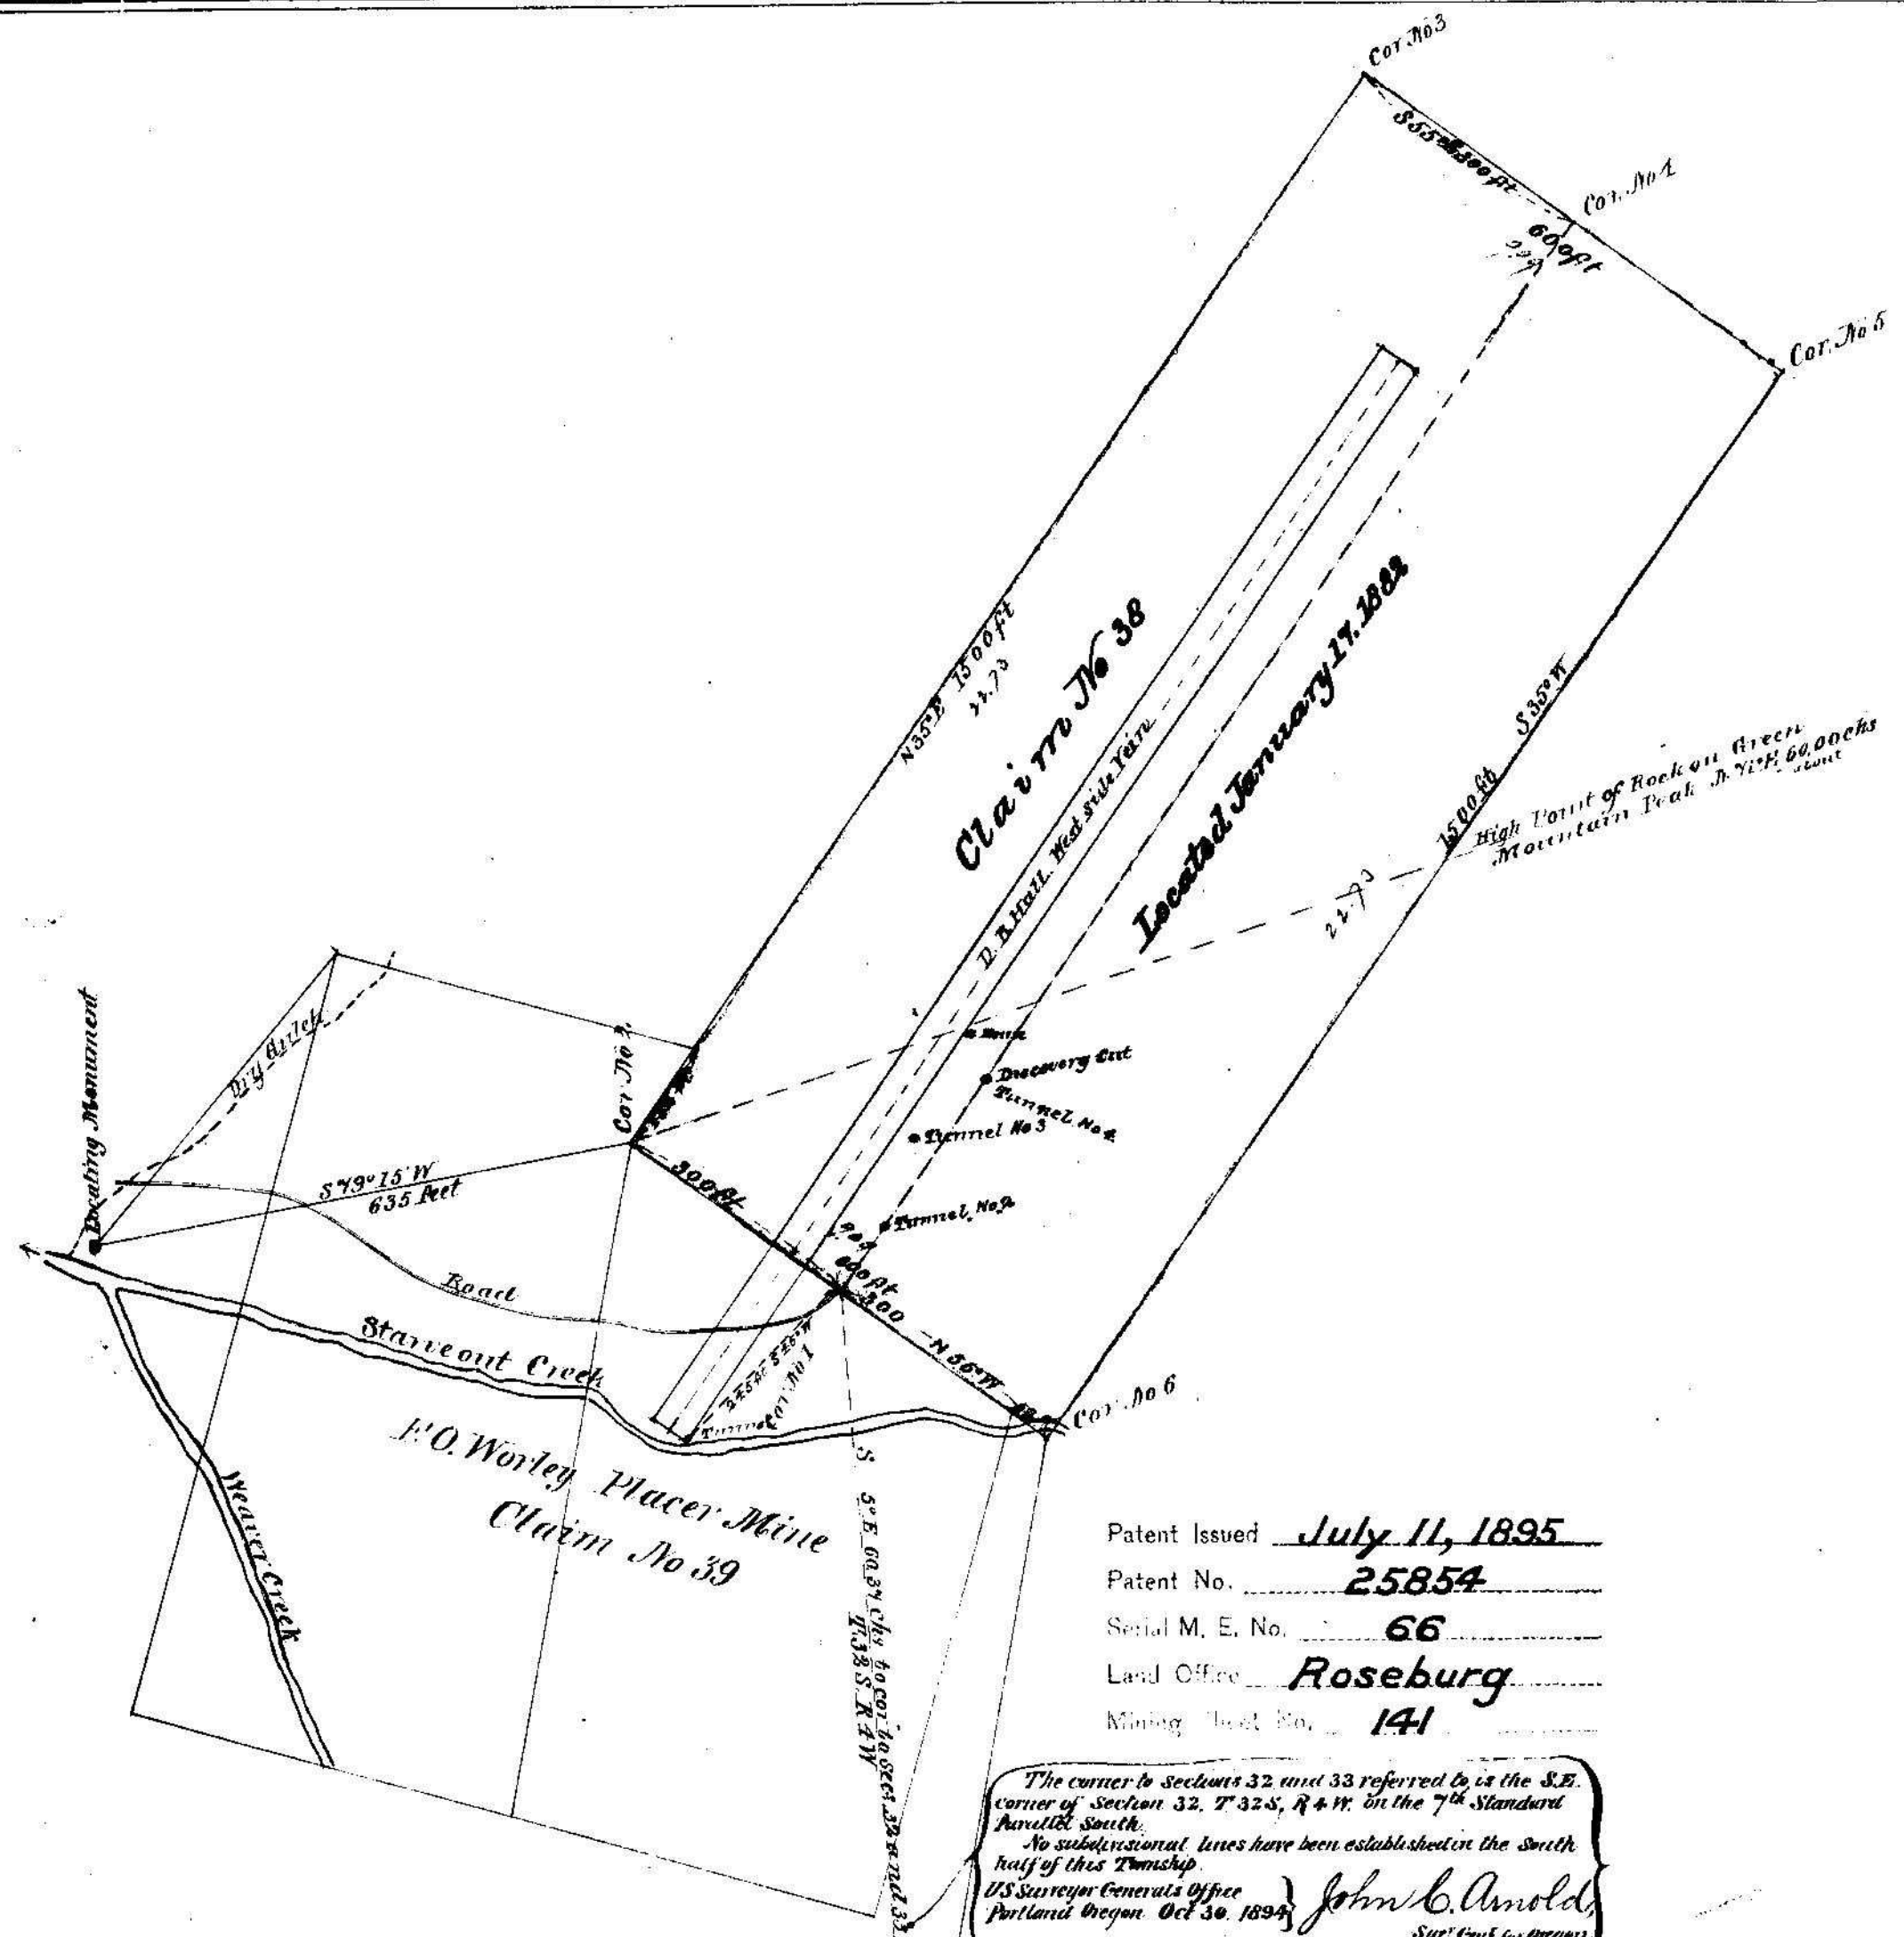

as appears by the report of the Deputy Surveyor and the testimony of two disinterested witnesses. And I further certify that this is a correct Plat of said Mining Claim, made in conformity with said original Field Notes of the survey thereof.
