Original bearing trees destroyed. By a former survey I found marks on the S.W. bearing tree. log lying on the Ground from which I set a post & marked a fir 8" in. diam. which bears N23°E 9 links distance & marked T.22S. R.4W. S 8 B.T. A Fir 30" in diam. which bears S. 66° E 41 links & marked T.22S, R4W. S 17. B.T. At this point I set a cedar post 3 inches square & 30 inches long properly marked. I remarked the above trees & adding C.S. to both. trees also marked a fir 12" in diam., which bears N 43° W. 65 links dist. & marked T22S, R4W, S 7. B.T. C.S.. A Fir 14" in diam., which bears S5°W 19 links dist & Marked T22S R4W. S 18 B.T. C.S.
