

Douglas County Surveyor's Record of  
Government Corners Renewed

T 31

T. S.

R 6

R. W. W. M.

HOKE-CHAPMAN CO., EUGENE, ORE. 21881

138

Section corner for Secs. 1 and 12; and 6 & 7 of T31-5.

- Found - A 1" I.P. with 1966 County brass cap properly marked.  
Monument is approx. one foot high and approx. 16 1/2 ft. south of a creek course east. Ren. #89
- A Fir 16" now 32" bears S.1°W., (Rec. S.4°E.) 13.1 ft. to center 12.3 ft. to face. (Rec. 11.9 ft.) Tree has partially healed double blaze "BT" visible.
- A fir, 12" now a 16" snag tipped out bears North 6.6 ft.
- A 14" Fir stump now dislodged bears N.78°W., 7.9 ft. to root hole. Find old axe marks, no scribing.
- A Maple 14" now 15" bears N.8°E., 31.0 ft. to center of scribed trunk, 31.5 ft. to center of triple forked base. Scribed "S 5 on a partially healed double blaze.
- A Maple 12" now 13" bears N.55 1/2°W., (Rec. N.58°W) 48.3 ft. scribing visible on a partially healed single blaze.
- A Maple, 13" now 16" bears S.85°W., (Rec. S.84°W.) 36.0 ft. Scribing visible on single blaze.

No new monument or accessories.

6/28/78

Township Corner, Northeast Corner Section 1.

139

- Found - Mound of stone (1878 resurvey) 28" at its base and 24" high  
At center of mound we find an opening going down through the mound measuring 6 1/2" x 7". Post set in mound not found. A dry creek bed course N.65°W., bears South 5.5 ft. The 1878 resurvey record indicates a creek 2 lks. wide course west bears South 3.5 ft.
- 3/4" I.P. set by Wenderoth in 1946, Ren. #2 C.S. 39/118, A review of the record of survey performed by Wenderoth indicates that the I.P. was set at a position as determined by an arbitrary method of distance allocation rather than by evidence of the orig. corner or its accessories. The I.P. set by Wenderoth bears N.46°26'34"W., 76.24 ft.
- Orig. 15" R.Fir bearing S.70°W., 37.6 ft. We find rotted remains of a fir stump bearing S.70°W., 36.2 ft. The remaining portion of the stump is a bark ring broken down to near crown level measuring 24" diam. We also find a portion of the wood in the stump. The wood is buried as it has healed over an opened area facing the mound of stone. The blaze has an old axed notch near the bottom. No scribing found.
- Orig. 10" Laurel bearing N.45°W., 49.3 ft. We find an old decayed root crown bearing N.35°W., 51.3 ft. The root crown measures 40" with a 20" Madrone growing from westerly portion of root crown. Tree has a badly decayed center.
- Orig. 12" Laurel bearing N.70°E., 17.8 ft. We find a depression in ground bearing N.68 1/2°E., 16.8 ft.
- Orig. 12" laurel bearing S.75°E., 36.3 ft. We find a 24" Madrone bearing S.75°E., 33.1 ft. Tree has bruned out center. Old axe marks at depth of approx. 6". No scribing found.

Set - At center of mound of stone, We Set a 1"x36" I.P. with brass cap stamped "Douglas County Surveyor" T 30 S  
1979 R S36 | S31 R  
6 S 1 | S 6 5  
W W

Monument is 18" in the ground with mound of stone 20" high.

Note - Prior to locating the orig. corner location, several days had been spent in searching for it. We determined to set a monument at the point as determined by double proportion procedure. This procedure was accomplished May 15, 1979. A final search effort lead to the evidence located in this report. As we have blazed trees prior to the location of the true corner position, a note will accompany information for any BT on which the blaze is not oriented toward the corner. See 5/15/79 attached notes in CS File 61/3.

New BT's- A 17" D.Fir, scribed "T31S R6W S1 CS BT" on a double blaze (oriented N.24°E.) bears S.70°W., 61.4 ft.  
A 10" Maple scribed "T30S R6W S36 CS BT" on a double blaze (oriented West) bears N.45°W., 14.1 ft.  
A 20" D. Fir scribed "T30S S35 CS BT" on a double blaze (oriented S.14°E.) bears N.49°W., 66.8 ft.
