38

Closing Corner for Sections 1 and 2.
Found - Iron post and brass cap monument from 1965 BLM resurvey, firmly set and protruding 8" above ground. (Orig. post and 1 1/2" pipe per Ren. #1 not found. 1965 BLM resurvey set monument over pipe)
Original 12" fir now a 36" dia. stump with visible scribing "33S R5W CC" in opened blaze bears N.85°E., 35.6 ft.
Possible original UT called by 1965 resurvey, an 18" decayed fir stump with chop and saw evidence to the center, no scribing or blaze visible. BLM resurvey calls bearing S.34°E., 41 lks. falls at west edge of gravel road. Orig. bearing and distance S.44°E., 41 lks. falls in traveled roadway. We measure S.35 1/2°E., 26.9 ft.
No other original BTs found.
From Renewal #1 not called in BLM resurveys, a 12" fir now 34" dia. with pitched over single blaze bears S.32°W., 30.4 ft. Tree is at random fence corner, top has been cut out at about 30 ft. high (healthy and growing)
From 1965 BLM resurvey, a 12" fir now 21" dia. with well healed single blaze bears S.14°E., 20.8 ft.
New Accessories:
Set bridge spike (1/2" x 8") marked BO 1 in pitch ring of a 36" dia. 18" tall pine stump. Spike set through 2" dia. washer marked "DCSO". Spike bears N.34°W., 50.9 ft.
Set 5/8" x 30" iron rod with alum. cap marked "Douglas Co. Surveyor BO 2" in the ground at the base of a 36" dia. madrone tree. I.R. bears N.86°E., 89.4 ft. Madrone tree referred to is triple trunk with dia. measure at base.
Note: Monument is 10 ft. west of west edge of 10 ft. wide gravel road course S.20°E., and N.20°W. 12 ft. north of a random easterly-westerly fence line.
