

Grimes Dale Survey Cor 2 + 8/25  
E.C. Grimes - Mrs W.J. Dale

Grimes deed calls for West  $\frac{1}{2}$  of S.W.  $\frac{1}{4}$   
S.W.  $\frac{1}{4}$  Sec 29 - Twp 29 S. R. 7 W.

From the  $\frac{1}{4}$  cor to 29 + 30 a iron pin with  
bronze top marked  $\frac{1}{4}$  - 29 - 30 & iron  
south on random 20 T.P. - correct - 44 South  
50 L West  
40.08 intersect cor to Secs  
29 + 30 - 31 - 32 at 100 L east of cor.

I therefore correct the T.P. at 20 ch S with 44  
and west 50 links on line between the corners  
where establish NW cor to S.W.  $\frac{1}{4}$  SW  $\frac{1}{4}$  Sec 29

Thence from cor to 29-30-31-32 a I.P. with bronze cap  
& run east 10.00 ch set T.P.  
41.89 intersect  $\frac{1}{4}$  cor "a"  
I.P. with bronze cap" as a point south 44 L  
of the corner & therefore correct the  
T.P. set at 10 ch to 10.47 chain east of  
corner to 29-30-31 + 32 and north 11 L to  
a point on line between the Sec cor and  $\frac{1}{4}$  cor  
to Secs 29 and 32. for the S.E. corner of  
tract

I then go to N.W. cor of tract and N.W.  $\frac{1}{4}$   
cor of S.W.  $\frac{1}{4}$  S.W.  $\frac{1}{4}$  Sec 29 & <sup>presumably set</sup> correct  
run east parallel with south line

Of Sec 29 a distance of 10.49 to  
the approximate N. E. corner of tract  
where set temp stake the parties at  
interest considering it to apprise to  
subdivide section to determine this front  
abundantly.
