Mr. Floyd Frear

Roseburg ,Ore.

Dear Sir.

A party told me yesterday that Johnson has ask you to make a survey fo some land adjoining my place,I am going to put you on to the scheme, and you can do as you like.

He has had the boy who has located on the land to order a survey more than kikely when the survey is made he will put off paying and I dont think that you have any recourse as he does not have any title to land. He never paid max Frank Cain for the work he done in 1913 ,beat him out of about \$50.00 .

If you make him send a deposit of about \$75.00 you will be ~~safe~~ then be safe,as he is subject to ^{beating} ~~locating~~ any one he can.

Cain surveyed this land and he is only trying to refute his work. If you come out to do the work bring your chainman with you.

Respectfully

J.M.Ledgerwood

Dear Sir:

Mr Conlee and I agreed some time ago to locate the lines between our lands without the county surveyor. When he first came here he says he spoke to you about making a survey that was before he had met me, later he decided that was a waste of money and nothing gained

Yesterday young Johnson was here with a petition asking all that wanted a county survey to sign. Conlee told me he signed it but now he says he should not of signed it.

Hoping this will explain this to you. I remain

Very truly yours
J M Sedgewick
