

Sec 33 T24S/R5W

Reconnisance Survey for.

— Roy Truitt —
Oakland.

For Proposed W. Rt.
out of Pollock CR

No Survey Made except
to determine if irrigation
is possible or not - Ditch

Line not run out nor
Diversion tied in

These notes not of value except to
show that work (peg leveling) was
done here and that irrigation is
possible using a 0.1% grade
