Note: Location of S.W. corner of Lot 7 taken from plat of survey of "L" line, Hwy No 38. This location is only approximate. Deed Description tie to S.W. cor. of Lot 7 was probably scaled from tracing of "L" line and very likely is in error. However the actual distance and bearing cannot be determined without a survey. Undoubtedly the one acre tract shown on this map lies within the boundaries of the said Lot 7; however such an assumption cannot be guaranteed with out a field survey.
