

C.S. FILE 4015

LINE DATE 2-15-47 PARTY G.C. Baker

PROJECT Reestablishment of the R.D. Asbury
N.E. Cor. of DLC #45, T29S R5W, S.A. Barnhart
KANE & HARCUS, CO. P. 613 W.M.I.

I begin at the Section Cor. common to sections 21, 22, 27 & 28 T29S R5W W.M.I. thence I go S89°43'E (bearings established by traverse from star shot at south edge of the Town of Myrtle Creek) a distance of 1309.7 feet to a stone in the Co. Rd. which had been set as the N.W. Cor. of the East half of DLC #45; thence I continue S89°43'E a distance of 4022.9 feet at which point I intersect the West line of DLC #47 a distance of 707.9 feet south of the N.W. Cor. of said DLC #47 and 2656.0 feet North of the S.W. Cor. of DLC #47. After making a thorough search for evidence of the original corner and bearing tree and finding no evidence of either I set a 1 1/2" x 36" steel axle with a 6" hub flush with the ground at the point of intersection for the N.E. Cor. of DLC #45 from which I marked a N. Oak 14" N31°53'E a distance of 18.3 feet scribed N.E. DLC #45, S. 77.

see sketch on back of sheet for information
