To the County Surveyor's Office  
Roseburg Oregon Douglas Co.

VAR used  
21°30'

June the 24 day 1947 I found a blank post lying on the ground  
N. 2 3/4 degrees East 2652 ft. from the South West corners of T. 29  
South Range 4 West. This being the location of the 1/4 Sec. Cor.  
between Sections 31 and 36,

I found the roots of the old bearing tree West 37 links all traces  
of ax or iron work gone.  
At N. 3 degrees W. 65 Links I found the roots of an Oak and fragments  
of the trunk, on a fragment of this oak I found an imprint of ax  
work and what seemed to be a portion of the T in the bottom of the  
face.

I placed a new post in place with red crayon marking 1/4 S.

From which a Fir about 14 inches in Dia. bears S. 30 1/2 degrees  
West 14 Ft. to the center of a cross chopped in the upper edge  
of the face.

Whinesses on the ground were,

- O. C. Phipps, Sr.
- O. C. Phipps, Jr. of Tenmile, Oregon
- E. Johnson, 291 West 10th St., Eugene, Oregon

IN WITNESS WHEREOF, I set my hand and seal
