Note#- Made an error in the angle on the North line of the above 6.7 acre tract, if you want the north line to be the same as the Donation Land Claim then make the changes I have marked in red ink.

I will be away from home the next 3 weeks on business and find that I will not have time before I go to Make up your map so will complete it when I come back and if you want the above line changed will run it out without any charge as it was my mistake. Will send my bill when completed.

Respectfully,

*Geo. J. Wenderoth*
