Mr. Ben Irving
County Surveyor
Roseburg, Oregon

Dear Sir:

I recently re-established the Quarter for Sections 31 and 36 along the East boundary of T25S, R6W.

We found the original BT, an Oak bearing N29° E for 65 Links from the corner. This tree is now laying on the ground with the old chopped-out face visible. The other BT was not found.

I reset the 1/4 corner from the old Oak BT, setting a 3"x4" stake as corner post, from ^{which} two new BTs,

A Red Fir 18", bears S77° W for 7.9 feet
marked 1/4 S 36 BT

A Red Fir 11", bears N 26° 30 E for 31.5 feet
marked 1/4 S 31 BT

Yours truly,

Claude Kerr
