Dear Uncle John

I mail to
you to day a rough sketch
of the contested land as
surveyed by me. I believe
this is all you desire. It
shows fences and gives the
location of the strip.

I have tried to make it -

plain.

I also send you the field
notes of your private corners.
The corners on the land of
Humphreys I will not send
as I don't suppose you de-
sire them. The field notes of
the Gov. corners are always here
at the office.

I trust this will be satisfactory
to you. If there is any thing
else you want, let me know.

yours truly

M. B. Herndon
