Roseburg, Oregon

Dear Sir:

The quarter corner common to Section 25 and 26, Township 31, South, Range 9 West, W.M. was re-established and new BT's scribed by Wallace D. Owen on January 5, 1959.

The bearing trees Mr. Owen scribed have blown over and are to be logged. I scribed two new BT's as follows:

A 7" Fir 32.8', S79½° E, Scribed ¼ S, R 4186 BT

A 6" Fir 108.4', S 81½° W, Scribed ¼ S, R 4186 BT

Used compass declination 19½° E and chain for referencing the bearing trees. This work was done May 9, 1963 by L. V. Swearingen R4186, and witnessed by Milner Larson.

Very truly yours,

THE ROBERT DOLLAR CO.

L. V. Swearingen
Logging Engineer
