Possibility of this cor
good if you had line - good
calls - I could find no blazes
or any line. There is quite
a bit of old growth in this
area. I tried to match up calls
for line by dist between Smith
River -

0.11.
5-20-38

27/26

Had line from line tag
on Reed Also Dist (approx) set
by Forest Service. Area all
young 2nd growth - no trace
of cor.

No Notes Renewal #1
Renewed 196A

Milo

~~Had line by line tag
and call at 15 chains
south of river - with cutting
line pretty good - no trace
of orig BTa -~~
