

cars not Found-

13 - found Approx car

21 location US Tag on Tree

56" D. Fir snow 60" in

Approx car.

U.S. Forest Service has no  
idea How it got there

14/13

23/21

car not Found-

by Aerial Photos IT places  
car on top of ridge -  
however calls do not agree  
with this - calls call

for Spur running SE, also  
Review to the west 600 chs.  
IT seems that there is no  
call on Top of Main Ridge  
running east + west.
