Found:

A squared stake in  
North-South fence.

36" Fir stump S 69 W 27°  
has been chopped out  
and shows scribing "BT"

24" Fir S 57 W 30°  
has been chopped out  
shows scribing 1/4 S

Weyerhaeuser called this  
an original Tree (4" Fir  
S 57 W 7°) and set a nail  
in a root for corner; but  
the tree was evidently  
about 12" dia. when scribed  
and was done about 70  
years ago. (ring count.)  
These trees probably from  
an unrecorded renewal.
