Found old N-S Blazes on some
buried staks.

Also N-S line has been brushed
with 9" Tree blazed on all Four sides
at approx car location. good
calls to fit contours on ground.

Some very large trees upland
to the East of Blazed line, these
trees too large for orig Blz. Car
Possibly destroyed by cat work.
There is an old clear cut unit
to the SW of the N-S line *JWB*
