T&S Row

$\frac{1}{4}$  cor  $\frac{5}{8}$

This cor seems to fall  
in recent clear cut  
I could find no E-W Blower  
Area directly to the south is  
new timber sale. ✓

6/5

This cor falls in old clear  
cut - call on bluff but  
again no line. ✓

(All Gates locked to get into  
Weyerhaeuser land, so I could  
not try to come North  
or East from  $\frac{6}{5}$  which  
is not renewed)
