

MAY 16, 1967

Corner Sects 10-11-14-15 T22S R9W W.M.

1" = 50'

North ↑

There is a rock ledge along here with oak and maple trees but found no oak big enough for orig. B.T.

bluff

6

Burned stub of Fir No scribe found

N39°10'E (151.72' (2.30 chs))

these trees must be orig. B.Ts as we could find no sign of any other trees in area that could have been B.Ts.

10

11

15

STAKE 39-145

std. 3/16 aluminum pin with 1/2" hole

N61°02'E 8.02

burned 6" or 7" fir stub No scribe found

Point used for corner None Set

S.59°00'W. 151.80 (2.30 chs)

11 ... that these pins are darning needles and that since the oak, since they are using steel instead of alum.

14" fir now 4' or 5' Looks like B.T. but did not open sets on top edge of bluff or slide
