Dear Mr. Collins:

A copy of a survey done by you has been brought to our office. It was done in January, 1947 and was a subdivision of the Henry H. Graham Ranch in T. 30 S., R. 5 W. Sections 22 and 27. We find no record of the original survey being filed with the County Surveyor.

Several surveys after 1947 were based on the bearings from your survey. Would it be possible for that survey to be filed at this time?

Thank you,

*Virginia A. Yates*
