The purpose of this survey was to create two parcels of more than 200 acres from a 428 acre parcel. Using previous surveys M70-67 M41-7, a fence line survey on Inst.No. 77-15010, (no monuments were set) and County Road No. 4 Right of way monuments, we surveyed the perimeter of the property. The exception to this was that boundary along the Albert Kyzer property, which by the use of Quitclaim Deeds we made into an agreement line.

The survey was performed by K. DeGroot & L. Baughman, using a TM20C Lietz Theodolite and Beetle 1000 EDM. Office computations and drafting was performed by G. Baughman
