NARRATIVE

WOOLEY ENTERPRISES, INC.

COUNTY SURVEYOR
DOUGLAS COUNTY, ORE.

LOCATION: Property in Sections 29 and 32, T. 22 S., R. 5 W., W.M. 7

PURPOSE: To mark and blaze property lines and to establish the S 1/16 and SW 1/16 corners of Section 32.

PROCEDURE: I tied the SW corner of Section 32 and utilized the subdivision information for Section 32 of corners that I had previously tied into on a previous survey dated June 1981 and filed in the Douglas County Surveyor's office, M79-79.

I then subdivided the SW 1/4 of Section 32 and set 5/8" x 30" iron rods as are shown on the annexed map.

There is a fence line showing on the map that does not fit the subdivision lines by as much as, approximately, 65 to 85 feet. This is a common occurrence in Sections 28, 29, 30, 31 and 32.

I also marked lines in Section 29 based upon a previous survey of Section 29, filed in the Douglas County Surveyor's office, M 79-79 and M 79-64A. This was accomplished by running a traverse between known points and pulling offsets to the property lines.

EQUIPMENT: Lietz Theodolites, TM-20C and TM-6; a TopCon EDM and a K & E Auto Ranger EDM.
