Date: July 27, 1981

At the northwest corner of Donation Land Claim No. 50, T26S, R4W, W.M., I set a 2" iron pipe with a 2½" brass cap marked:

From which a:

18" Black Oak, original BT, with definite face in at 85 to 90 years, and an older face in at 125-130 years, badly rotted, probable original face, but no scribes visible on either face, bears S45°E, 15.8 feet.

36" Maple, original BT, with old face, bears N30°W, 47.0 feet. (Record BT was a 7" Black Oak N30°W, 49.5 feet.)

Creek, 10.0 feet wide, course NW, is 27.0 feet East of this corner. (Record is 38.3 feet.)

10" White Oak BT, I scribed, "T26S, R4W, NWC, DLC 50, BT" bears S85½°E, 96.4 feet.

14" Alder BT, I barkscribed "T26S, R4W, NWC, DLC 50, BT" bears N40°W, 75.2 feet.

Note: This corner restoration is part of a road right of way survey which probably will be completed at a later date.
