Douglas Fir  
Products"

M 84-71

August 7, 1980

Douglas County Surveyor  
Douglas County Courthouse  
Roseburg, Oregon 97470

Dear Sir:

This survey was made for Davidson Industries and does not create any new parcels. It is a boundary change between Bobby S. Garrett and Doris Aileen Garrett, husband and wife, and Davidson Industries. The survey was made to except the part that the Garretts wanted to keep.

The Northeast and the Southeast Monuments were set by Bob Lecklider in 1958 for a survey made for M.A. Patrick. I set Northwest Monument from bearings from M.A. Patrick survey and deed.

The West and South Boundaries are new bearings and distances. The Southwest Monument is new and the Northeast and the Southeast Monuments were set and described in other surveys.

A twenty second direct Franke theodolite and a Model 76 visible laser with tilt prism was used for survey.

Sincerely

DAVIDSON INDUSTRIES, INC.
