Scale: 1" = 100'

NARRATIVE: Purpose of survey was to find property corners of lands owned by Loene Lakin. Field research located R/W markers and other corners as said found. The East side of County Road R/W was used as control of retracement and said found 1/2" iron pipe controlled the depth of the parcel. Said found 1/2 inch iron pipe also used to set the south line perpendicular to the R/W. The said R/W was established from record bearings and distances along the centerline from P.C. Sta 11+61.68, County Road # 39 (see sheet 1 of 5, Glenbrook Loop Road No. 39).

Sec. 32 1/4 cor. Sec. 33 T. 30 S., R. 6 W.
