

I set a 3/4" brass cap pipe marked "GP 1/4 Cor 17/16 T30 R9 1979"
for the 1/4 Corner between Section 16 and 17, Township 30 South, Range 9
West, Willamette Meridian from the 34" stump of the original 30" Fir
B. T. N63° W 24 links which has plain scribes. The original 30" Fir
B.T. N48 1/2° E 42 1/2 links is now a 34" stump with plain scribes. I scribe
"1/4 S 16 BT 378" on a 16" Hemlock N43° 45'E 59.7' and "1/4 S 17 BT" in the
bark of a 16" Oak N29° 45'W 59.7'.
